The quiet of Bismarck was greatly disturbed Saturday afternoon of last Justice Fairchild recently issued a Matkins, brothers-in-law, met and warrant against Henry Current of Ro- though at first inclined to be social, brood, when Matkins assaulted Canter store and the druggist recommended ers to the New Building Fund, whose about sixteen years of age who lives with a beer bottle and rocks. Canter with her parents on the gravel road mixed in with his knife, gashing Matkins' anatomy to such an extent that age, married, but he and his wife have es to close the most severe wound, an not been living together for some time. 8-inch-cut across the abdomen that laid gist. the flesh open to the inner wall which officers have not yet succeeded in lo- wounds, open and bleeding, Matkins ran home, a distance of two miles, secured his shot gun and went gunning for Canter who took refuge behind a box near the railroad track. Officer R. B. Clay, of this county, will leave Block went to Canter's assistance, but Matkins fired, filling Canter's left arm and side with shot, and likewise wounding Mr. Block who received seven shot in his back and head. Dr. Norwine relieved Officer Block of his surplus of lead and he is now doing well. The citizens of Bismarck trust that the county officers will probe this matter and mete out proper punishment to the guilty .- Bonne Terre Democrat-Regis-

The celebration of the coming Fourth in Ironton promises to overshadow anything of the kind that has gone before-not even excepting that of the Centenial year. The parade, which will start at 9:30 A. M., will be well worth the seeing. A number of floats will grace the procession and give interest to the day; the U. S. Cavalrytwo troops now at the Rifle range, will be the object of chief interest and their evolutions on the grounds later in the day cannot fail to add greatly to its attractions. The members of the Cornet Band, under whose auspices the celebration is to be held, will spare tinction in the exalted position he now exception to this. It is a public institwo he let fall, we judge he not in- expense of keeping it up; and, while each member is by no means inconsiderable, to say nothing of the time devoted toward making it a pride and enjoyment to the community. Therefore with becoming modesty, the "boys" solicited the aid-not in money, but in other ways-of their friends toward making the grand success anticipated for the occasion in hand; for without their sid and good-will we recognize that all would come to naught. The response has been hearty and generous, as, we think, the Grand Parade will amply testify.

The Silver Jubilee Excursion from St. and the gravestones are the great saint Louis to Graniteville last Sunday drew makers." The minister went away crowds from the surrounding country, band-wagon newly seated for the occasion. The clouds promised rain and The hall of the Modern Woodmen kept the promise. As we drove into camp at Ipswich, S. D. is situated Pilot Knob the first shower developed, was raised about six feet, while the neither house nor portico offered receiling came half way down to meet it, lief. The rain started in diffidently in the shelter of the cars, foregoing the George Thompson and Miss May Ha- pleasure of a wet ride on an open flat on his best girl Sunday evening.
